Beaches You Have To Visit This Summer

Summer is here and there nothing better than escaping on the perfect beach getaway. Do you want to explore some of the best beaches in the world, tasting tropical drinks, experiencing beautiful sandy beaches and enjoying world class resorts? Well here is a list of some of the best beach islands and resorts that you will certainly need your [flip flops](#) and [bikinis](#) for:

Goa - Well Goa has so much to explore that it becomes impossible to choose one particular place to begin with. Goa is known throughout the world for its beaches this due to them being absolutely stunning, you can find perfect sandy beaches as well as private beaches if you prefer to be more reclusive.

Barbados - Of course very well known as it has been used in a number of films because of its beautiful blue water and beaches that stretch for miles. The island is somewhat of an asylum for tourists who come here to get away from their cold climate and enjoy the warmth that the Caribbean has to offer. Many surf competitions happen here from the likes of [Roxy](#).

Dubai - The largest beach in Dubai is the Jumeirah Beach, with a relaxing beauty that truly makes it one of the most amazing beaches in the planet. The area of this beach is very big and is separated by different hotels and clubs, but perhaps the one that stands above the rest is the famous Jumeirah Beach hotel.

Costa Rica - The many beaches of Costa Rica are perfect for any holiday goer wanting good weather and great beaches. Its seemingly breathtaking beaches along the Pacific and Caribbean coastlines are a definite paradise to vacationers.

Boston - Three of the best are Carson Beach in South Boston, Savin Hill Beach in Dorchester, and Revere Beach just north of the city in Revere. Even though Boston is a waterfront city, its location on a harbour means that you need to go beyond the downtown area to find these beaches.
