Best Beach in Costa Rica

People go on holiday to get away from their 9 to 5 and explore somewhere completely different. Latin America has some of the most beautiful beaches you will ever see and this is why many people travel there on holiday every year. Latin America is defined as the Spanish speaking countries of the Americas including Brazil.

It is not just sun bathing and getting a tan that you can do at the beach in fact there are many more activities for you to take part in. The activities involve sports like surfing and other fun things such as kayaking, scuba diving and many other fun activities.

So the beach can be a lot of fun and below I have outlined some of the beach and most pristine beaches in Latin America.

If you want to go to Central America [Costa Rica holidays](#) are very popular and in fact Costa Rica is the most popular tourist destination in Central America. Playa Tamarindo is a very long beach which is perfectly positioned for activities such as surfing. If you are a surfer another thing I can tell you is that by November or December the waves will get up to about 12 feet high, which can make for some great surfing.

If animals are your thing then a [Galapagos holiday](#) is the place for you. The Galapagos Islands have animals that can be seen nowhere else in the world.

If beaches are your focus though then you cant go wrong with the Placencia in Belize which is an amazing 15 miles long. You will also find that there is a lot of wildlife in the area as well.

You will find that it is quite safe to travel around Latin America without any problems but I would recommend that you err on the side of caution. Some people like [overseas home insurance](#) although it is not necessary and is entirely up to you. I wish you the best on your travels and if you have any questions or stories to tell please leave a comment.
