Convenient Parking At Liverpool Airport

The incontrovertible fact that you are on the point of going on a trip shouldn't worry you when talking of [parking at liverpool airport](#). There are different options such as the drop and go, short stay or even the long stay. These are based on the time period your car will be parked, the drop and go being the shortest taking around Fifty five mins ; otherwise you attract extra charges for every minute. The charges also reflect the differences in the options. Parking at Liverpool airport is favored because all the parking spaces are on site and this suggests the safety of the cars is top notch.

You do not have to leave the keys to your car and there aren't any transfer bus rides for you to take your trip. The parking at Liverpool airport won the 2009 Holiday Extras Consumers award as the best airport car park. This shows the quality of service you should expect as well as the customer's views about the potency and capability of this car park. Even if you are leaving for a long trip, the rates are not unreasonable. You are expected to pay £17.99 for a day if you book in advance and £30 if you book on the spot. Two days will cost £45 while for Fifteen days, you will pay £115.

Additionally, the long stay parking at Liverpool airport does not have a height limit. This implies you can get space for your car or truck regardless of its height. This doesn't restrict the car you can ride in to the airport. It also considers the requirements of the disabled to be sure they get to the terminals easily. There are special areas where they can park their cars whether for short or long stays. For the drop and go rates, there is no charge if you park for rather less than 5 mins. Fifteen mins will cost £2 while 35 mins goes for £6.

Nonetheless it is vital look at price changes occasionally to bypass the disappointment of arriving at the airport and find that there is a change. Though they won't be extreme and they're going to be communicated through the airport's site, studying about them previously will help in setting the budget. Parking at Liverpool airport also makes it easy for you to find your car when you get back from your trip. You do not need to call anyone or wait for it to be brought to you.
