Ukraine provides for the type of vacation off of the beaten track. The culture, food, people, customs, and landscapes are some of the most unique in the entire world, and experiencing it all for yourself, first hand, is something that can't be missed. A passport is all you need, and revolutionary new sites like [USPassportNow.com](https://www.uspassportnow.com) make renewing, replacing, and expediting of passports incredibly easy.

The Ukraine offers the visitor a variety of diverse natural sites to visit and enjoy. Approximately 15% of the country hosts thick rich forests where a vast number of medically helpful plant life is harvested. The visitor is also treated to a variety of rarely seen wildlife and a spectacular number of colorful flowers. A vast system of plains presents a lush, green alluring opportunity for romantic walks and family picnics. In contrast, the Carpathian and Orimean mountain ranges provide opportunities for exploration and the enjoyment of the activity of hiking.

Kiev, the capital of Ukraine, is a very special place that completely wraps visitors in the Ukrainian state of mind. World famous cathedrals and monuments provide days and days of exploration and discovery. The Holy Dormition Cathedral of Kiev, the St. Nicholas Roman Catholic Cathedral, and St. Volodymyrs Cathedral are only a few of the beautiful churches that populate the city, and each is definitely worth a visit.

One of the neatest things about Ukraine is its very unique culture. Learning and experiencing some of the unique cultural norms is half the fun when traveling to Ukraine. As a part of their culture Ukrainians are extremely hospitable. Gifts, toasts, and huge meals are customary for any visitor. Even the families who don't have much provide guests of all types with a warm welcome and unmatched hospitality. If you are invited to a home, a small gift is customary. This could be some flowers (make sure it's an odd number!), a bottle of wine, or a cake. It's regarded as bad luck to shake hands across a door threshold; shoes are always taken off upon entering a home, and never turn down an offering of food or drink. These are just a few of the customs that make Ukraine unique.

Many people travel to Ukraine just to experience the cuisine. Borsch is probably one of the most recognizable dishes. This dish comes in a variety of forms, and as a traditional Ukrainian dish, chances are you will come across many different styles. Alcohol is a major component in Ukrainian cuisine, partly because toasts are such a large part of Ukrainian culture. It's enjoyed during every meal and vodka is probably one of the most popular drinks.

It is important to remember that if you want to experience this rare and beautiful country, you have to have a passport as well as your entire family no matter their age. You see, [passport for kids](#) are available with a five-year valid period and are not at all difficult to obtain.
