Where The Moose Are Loose: Think About Sweden For Your Next Vacation Destination

When you think of the traditional European vacation, Sweden may not quickly come to your mind but it is clear to those who visit that it compares quite favorably to many of the world's top choices. The secular scenery that wraps around historic Swedish castles, mountains and national parks can provide the visitor with an experience that will not soon be forgotten. With online passport services available, even an [emergency American passport renewal](#) can be handled quickly and easily.

Some of the most unique wildlife can be found in Sweden. On occasion, even the gigantic moose, apply call the king of the Swedish forest, can be found roaming the wild but at times, they even invade the cities and towns. Other incredible animals calling Sweden their home are the wolverine, wolves, large brown bears and lynx. They are waiting to greet you but first you have to get to the shores of Sweden and to do that, you will need a [American passport](#).

Sweden is certainly known for its beautiful scenery and an opportunity to explore this beautiful country will certainly take your breath away with its beautiful landscape. If you travel during the months of May and June, the city of Alrid will treat you to a surprise. Seemingly, nights and days will be reversed and you will glimpse the sun in the sky when you expected to see the moon and vice versa. The mountainous terrain with its caves and caverns present an excellent opportunity for the adventure seeking vacationer. Mountains like Sylarna and Kebnekaise take the visitor up to heights for bird-like views of incredibly beautiful vistas. The national parks found in Sweden like Sarek and Abisko treat the visitor to an experience with nature in the purest form. Secluded territory boasting lakes like glass and mountains with gleaming white caps will treat you to a visual opportunity to compare with no other.

The big cities of Sweden offer the opportunity to engage in a whole different sort of nightlife. Three of the most popular cities are of course, Stockholm, along with Gothenburg, and Malmö. Each city has its own very distinct atmosphere and features various attractions for visitors. Unique museums, shopping, and restaurants make these cities worth visiting. Malmö is a huge multi-cultural hub, with over a hundred different languages spoken there. Gothenburg provides the quaint, seaside atmosphere even though it is a large city. This city also features the largest amusement park in Scandinavia.

A trip to Sweden is not complete unless you experience the heart of this and any country by really getting to know its citizens and perhaps even trying to live like one of them for a day or two. You may be surprised to learn that Sweden has also had a great influence world wide in the areas of music, art and literature. The recording artists Abba, are an example of world famous musicians who call Sweden home. The medieval castles of Sweden are also something you will not want to miss. Built between the 12th and 17th centuries, a visit to these castles takes you deep inside the history and culture that are part of Sweden's past.

You will find Sweden to be a destination with so much to see and do that you will be recommending a visit to all your friends but a US passport is required for travel to this beautiful country and [emergency passport renewal](#) services make getting one simply and easy. Come and meet one of your global neighbors waiting to make you welcome and enriched. From the mountains, to the cities, to the crystal lakes, Sweden is beckoning each visitor from far and wide.
